# LONGING

The vibrant show was one of the best I've ever  
seen. Because you were there, & I got to see  
you at your best. To see you happy. It feels good  
to ~~see you~~ see you be loved, feel love, and give  
love into the entire atmosphere. There were  
several loud, vibrant spirits in the air, but yours  
~~made~~ made my heart scream out because  
your love is the LOUDEST in my heart. I ache  
for your face. Sounds lame but it's true. I am  
better off watching you from a distance <sup>where</sup>  
your love fills the air as the smoke <sup>fills</sup>  
high and low at the same time. <sup>where you are</sup> <sup>feel so every</sup>  
my heart beats loud, because of how loud your love  
is. ~~It's~~ <sup>it's</sup> ~~hard~~ <sup>hard</sup> to explain.  
It's ~~that~~ <sup>that</sup> ~~loud~~ <sup>loud</sup> ~~that~~ <sup>that</sup> attracts me, loud as in vibrant,  
full of light, sparkling out through your beautiful  
smile. Seeing you dance, love on your friends,  
even a stranger. I saw the child I used to know  
again. The child that knew how to smile, to be funny,  
to pour out your soul into what you love, who you are  
the most, ~~and~~ it can be overwhelming sometimes.  
I just can't help it when my heart flutters while you  
were on the dance floor. It's just how I remember you  
when you were a child. Your youth is still alive, and  
that's what I can't escape from. ~~To~~ <sup>to</sup> whom  
over you love, it's the sweetest child I know that  
stays young, baring much fruit: reach out your hand <sup>to</sup>  
also another, ~~your~~ <sup>your</sup> ~~strong~~ <sup>strong</sup> ~~but~~ <sup>but</sup> ~~so~~ <sup>so</sup> ~~at~~ <sup>at</sup> the touch of <sup>as you</sup> <sup>ms</sup>  
when in them. I was twice 4 seconds in total. Painfully short.  
~~Now~~ <sup>Now</sup> ~~I~~ <sup>I</sup> ~~wished~~ <sup>wished</sup> it could last forever. <sup>And</sup> <sup>And</sup> <sup>And</sup>  
if not longer. Maybe in another life.

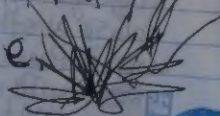

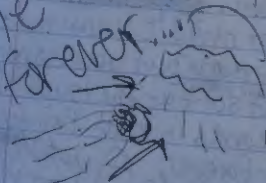

Love cannot be

MY

# THIS LIFE

2/23

I need my brain for creat. I live out  
 my passion. I need my brain to survive. I function  
 on bus. I need to breathe. I need to eat, sleep, think.  
 I just processes information differently. I think differently.  
 I've always been different. A lot of people run away from  
 my difference like its the plague or something. Because of  
 my brain that I think different, say words that make no  
 sense to the neurological minds of others. My brain makes me  
 smart & brilliant imaginatively/creatively, but at the same time  
 makes me suffer every day. Why did God make me this way?  
 I feel wrong. I was born wrong. I'm told that I have the  
 wrong perspective or think wrong ideas about my reality.  
 I can't be consistent w/ anything since I left school.  
 And since Syddred - ~~all~~ all my efforts feel meaningless  
 cause I don't work enough, don't make enough, don't do enough.  
 I can't sleep right. I can't eat right. My brain taunts me.  
 My thoughts are an ever ending Abyss. A DARK ONE.  
 I'm not eating 3 meals a day like I'm supposed to. Not on  
 the job search like I'm supposed to (action). I've been doing well  
 at preparing myself to die. I want to die. This life has so  
 much difficulty for me to accept. People have trouble accepting me in  
 their lives b/c I'm difficult to understand. I'm just too different.  
 I have to have friends like Nikki, she is all I have to share  
 everything and she doesn't isolate me. She keeps me. The closest  
 thing to NIK was Syd, Syd understood me, but no one else  
 did or could. She would comfort me & knew what I was saying  
 saying a word, she knew. I'm much more rare than people think or know. She knew that  
 too. No chance of that w/ reality for me.

And in that I - I was someone - felt appreciated because I was  
 able to exist through her mind at that time. I will exist. If  
 people love me, not use me, or choose to ignore my rarity & if they  
 ever wished to see it, they'd have more friends. But I don't  
 I'm 27. My youth is resting in the Abyss. I want to take a rest  
 with it - w/ all my dreams. My dreams cannot be here, I must  
 die. But I feel too bad. Hurt too much. Sad all the goddamned  
 time. Either I have too much <sup>little</sup> oxygen, or I'm just a sad lonely  
 fool. Relentless, going, everyday sadness. Exposure  
 would relate on many levels. I belong in the imaginary world  
 where I exist. Characters exist on perspective of  
 my brain. I'd be happy anywhere  
 Out with - in a body that is destined to rot someday.  
 I hope that I have no one to talk to, no one of  
 more than I. I talk to myself. I'm with myself all the time.  
 I can only see what people share on a public level. Levels  
 of deep connection I will never have in this realm. I only  
 observe and they have things I don't have. I  
 have things others don't have. Human existence will  
 never seek full contentment. I know hard work will earn dreams. But  
 I don't want a free golden start to an opportunity new life. I just  
 want another life beyond this realm. God damn it how trapped  
 I am in myself that can't get along or understand how life should  
 or could work & do it on my own. It's simple, yet everything  
 to me of adult life sucks - more complicated than it is.  
 Death is simple. My brainish + I don't seem to notice me  
 the real me. All of me. If I can't exist here, I exist  
 somewhere else. Anywhere but here. Here is where there is no  
 animals & creativity. I nose forms & see me. I appear  
 them. I don't exist anywhere else.

What makes the world a shit  
is clones full of people that are  
meaningless shits.

! - ! - ? - ? - ?  
Being me sucks...

It shouldn't be a problem getting up at 7 every morning.  
But unfortunately, for me, it is. I've missed several morning  
orders this week. I missed 3 today. Gosh, whyyy??!  
I hate myself for not making myself get up. It's money going  
to someone else who actually works consistently + gets  
more consistent pay. Not me. The marrow of life is hollow.  
I swallow bones instead cause I'd rather die hard than  
try to live better life while suffering to do so. I ~~repeat~~  
repeat my same patterns - can't sleep routinely, or eat,  
or stick to be more strict on myself. Do I really not give  
a fuck? I hate waking up that I'm still here but no one  
gives a fuck if I am. No, I mean, no one will think  
my life means something or I die. No one by no friends  
but who are around my age or 3 yrs older. None of this  
shit will matter to them once I'm dead. If I don't care myself  
to live, then who way they will even notice when I'm gone.  
It meant nothing to them alive; it won't after death. (sure as fuck)

was actually identified as a male today and it felt right but the arrest of my female body. I SHOULD NOT BE IN THIS BODY!!

The guy who runs the comic shop is cool and he ~~even~~ has friendly customer service skills. He really knows his stuff and treats all the guys fairly. I like being called bud, bro, and man. It just feels directed ~~more~~ as 100% accurate to ~~who~~ who I am as a guy inside. If only all other men + boys could see me that way. That my body doesn't make me a female 100% more like 5 to none. Some times people do identify me right away as a he since I am smaller and look younger than others my age. It helps, but when I'm called a lady or ma'am - damn it it makes me not want to exist. The body I'm in exists only to me. I'm just damn tired of being called + identified to a gender I am NOT AT ALL. At least I don't have big boobs or a butt, but yet I hate having boobs at all. They might have grown just a bit + I want to die.

(Feb.)

The 27th was a beautiful night, just like my brown girl. She looked so beautiful that night, I could not take my eyes off her. Call it lust or pervertedness, I know who I am attracted to, and I can't unchange that. It's like my soul is spell bound to her spirit or something. It ~~is~~ <sup>is</sup> her personality; personable & the ways she connects w/ people. Makes her so likeable. It's why she has a whole team of supporters, and why she's loved the way she is. I just ~~she~~ <sup>she</sup> was more apart of it. So many ~~aspects~~ <sup>aspects</sup> I love about her - physical & spiritual. The two will ~~be~~ <sup>be</sup> perfectly together in harmony. Yes, she's just as beautiful with her heart than her body. But for the life of me I cannot help but gaze into her beauty; her arms, her back, her hips, her <sup>heart</sup> ~~lips~~ <sup>lips</sup>. Every part of her I desire to latch onto. So when her hand layed onto me after the show, it's ~~like~~ <sup>like</sup> being touched by an angel.

But my problem is living in hell, my mind & my body is a prison. Anything that triggers <sup>triggers</sup> ~~triggers~~ only makes ~~me~~ <sup>me</sup> worse. She's made history that night even if she was nervous and her ~~back~~ <sup>back</sup> felt clammy. Only natural to sweat with having a first live show, and she's still beautiful. She knows who she is, and all the rest of the world in time will too. She's famous to me; a star to many. Little ~~don't~~ <sup>don't</sup> know she know how we will soon share the same fate. She'll live a legend and I will die a shooter - hopefully ~~to~~ <sup>to</sup> be famous. No one will forget neither of us. She will be the blessing, and I will be the horror to inflict pain.

I will make it too

## My Imaginary Penis

3/11/23

My penis exists in my head. I swear to god I'm a  
male. I think about sexual fantasies, about how if  
my dick was real I'd fuck the girl I love in the ass.

I want to know what that's like, but I never will  
because I was damned to be poor this way. I swear  
to fuck I hate it so goddamned. It's a fucking curse.  
Having a brain like mine has its godliness but also prone  
to making poor decisions. Like putting my hidden  
name while filling out paperwork for instacart + now my  
BB check didn't work + I'm possibly not going to get the job.  
Fuck me, man. Mom, just say I'm young and young people

make mistakes. In me, it's <sup>and the</sup> painfully more than  
that. he torch being raised as a girl, and actually

with well and I just had to deal with it, and tried to be feminine.

people It made me mad. Because being as a kid was when I was

felt most like myself. A rare of lat chest made me free. Bill,

prince of puberty, imprisoned me. And so does my mind. Puberty +

the people in this world adds more bullets to shoot vibrant +

into my head on auto. I hate parental views, now my mom's

me as a daughter and she'd rather to win to lose that  
daughter because a son would be the death of her.

## My imaginary penis.

I am not a virgin's daughter? That's not fair, it's selfishness. Just like any rest of the parents with that mindset they are unfair to a child. How could they ever think of their own child suffering, and that they have their gender so bad they can't want to kill themselves? Fuck parents like them who think of themselves first and their preference of ~~conservative~~ conservative religion say shit makes them believe that the child they're given should stay that way. Even if transgender treatment ~~was~~ was considered and tested during my time, I know how the situation would have turned out. My mother would not have paid a cent. Children who were able to successfully fake being boys and never enter a tortured purity, those little fags don't know how good they fucking have it. I did it to have parents who could let their child be happy no matter how different it is to their viewpoints or don't agree, or scared of it. They are willing to listen to their children, not the other way around. I did kill to have had those resources in 2007 was the birth of puberty blockers and a newfound ~~discovery~~ for treatment of non-conforming transgender children. 2007 was when I was when it was in the 6th grade. Puberty already hit me. The only reason I could conclude why it didn't bother me too much is that my boobs were small. I thought they'd stay that way forever. My autistic brain can't change in body fuck ~~discovery~~ over now, even if my boobs are still small for the most part. And there I was ~~thinking of~~ thinking of pen and doing surgery on my boy stuffed animal, giving them penises for their middle. I looked like a virgin. No boy should ever have that. I can't change my appearance, I can pretend now it would be by my imagination of a child's playthrough my stuffed animal's ~~penis~~ penis through me.

## Toy sex (My imaginary penis.)

I can pretend to be them and do the things boys do experience. My boy self as Tony. My stuffed boy doll is like the toy boy I am in another form. I constructed for him a penis, then got out my girl doll named Ashley who is Tony's long boyfriend. Ashley was represented as my dream girl. I wished to have in real life, and Tony is me, having those intimate relationships with a beautiful girl. Tony is also inside and out. Ashley is a girl inside and out. Two straight boys who are in full nature of themselves by themselves. I let Tony fuck Ashley and she stuffed Tony's big penis in aggressively into her ass hole. It took several attempts for Tony to put his dick into her vagina because he has a big dick (and was even bigger ~~when he had an erection~~) finally went in and Ashley cried and moaned for a good ten minutes. Tony humped slowly and ~~visually~~ on visual sex. In but sex, he humped quickly and hard, only grunting with all his strength. Then after I fucked Ashley for a good ten minutes (Tony's time). I let her suck my dick and touch his erected penis. After that they wrapped each other in their arms as a ~~boy~~ boy hugging a tree. They ~~then sat~~ gracefully sat side by side holding hands, surrounded by the scattering of their clothes. I took pictures of their sex positions. My penis was hard for hours. Rock hard as a flint stone. Hours making ~~sex~~ porn penises for my boy bears, only to realize I missed the gym cause they closed at 7. I was mad already cause I had no work that afternoon. Walked around the mall browsing ~~and~~ + shirts at Sparrows and got some kerosene for Tommy, my stuffed lion. I purchased some snacks at the store for my car and one sticker I got - A stripper booty illustration with "Dar Ass" on it. God, I am such a pervert. I wrote too much time in my fantasies...

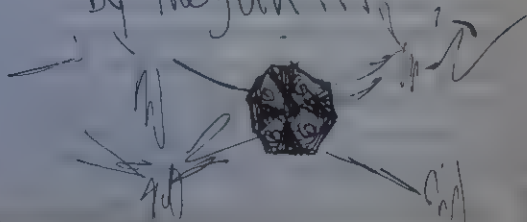

Soon I will leave this world <sup>if your friends</sup>

I did feel that I was, they were my shoes but  
spiritually (since #2 + your name is imprinted on the  
back of the soul) - its our shoes.

So no wonder I felt you more in me - made me  
feel strong and my passion for ball. Your spirit is so  
close to me when I am surrounded by people, places,  
and ~~things~~ that were in relation to you. It is weird  
feeling knowing I never thought about things like this until  
you passed away. Ever since, my thoughts about death  
dearn have altered significantly. I think about death  
every day + fascinated/curious with the idea of dying tomorrow.  
I know its unhealthy, but I just don't care it this anymore.  
All I know about work. I know how unhappy I am with  
all the things I wish I could do. Its too late now. I'm ready

I thought About You All Days Syd

Anthony's living life best he can. I'm living while I can  
until its too time. That time is soon, and it needs to be  
I've been crying about you all week so far. Anything I do  
what I love to do. It brings me back to you. Inccable  
community center I've visited since last Saturday and  
my heart keeps pulling + tugging my mind to go back tomorrow  
and the next day, and so on. I hoped for an hour, worked  
out in the weight room for an hour + 20 min, then back to  
the gym to watch a basketball camp Anthony was coaching  
he see. I was teaching about ball just like  
you were.

And, out honest only to push his  
players in basketball is a more mental game  
rather than physical. Basketball is a lot like life" was  
what stood out to me as Anthony spoke when camp was over.  
Mixed feelings. Not just about the boys playing, but  
the boys dunking and wishing I was able to do that. I  
watch the boys connecting + having fun w/ their friends,  
(reminds me being w/ you playing ball in middle school).  
One little boy was crying b/c 2 other boys were mean to him.

I watched the pain in his face, the tears in his eyes, the  
way he crumbled into a ball + dug his face in. Damn it  
reminds me of the kid I was doing just that. And there  
Paige was so kind + good to me that I forget what I  
was sad about. A black former ball girl spoke in a voice  
sounded a little like yours. Another black girl who had a  
at the center had the eyes + lips, braces similar to Paige's  
same physical features, even showed the personality similar  
to Paige. And the red backpack I had w/ #10 on it.

I can't believe its here.  
Don't know how I was able to get this far,  
but here I am.

I'm a little nervous, but excited too.  
Been excited for the past 2 weeks.

There were several times I could have been  
caught especially back in the summer of 2021.

None of that matters now. I'm almost an  
hour or 3 minutes away.

Can't believe I'm doing this,  
but I'm ready...

I hope my victims aren't.

My only fear is if anything goes wrong,  
I'll do my best to prevent any of the sort.  
(God let my wrath take over my anxiety)  
It might be 10 minutes tops. I might be

I hope I have a high death count.
